DISCOVERY ORDER

Re: Dkt. No. 54

The parties' request for an extension of the Court's discovery deadlines is granted. The new deadlines set forth below now govern. These new deadlines don't affect the dispositive motion filing deadline or the dates set for the final pretrial conference and trial.

Event	Prior Deadline	New Deadline
Fact discovery cutoff	April 7, 2023	May 5, 2023
Opening expert reports	April 14, 2023	May 12, 2023
Rebuttal expert reports	May 15, 2023	June 6, 2023
Expert discovery cutoff	June 13, 2023	June 20, 2023

During the extended fact-discovery period, the parties may conduct fact depositions that were properly noticed before the prior fact-discovery deadline (April 7); may conduct discovery on issues raised during or resulting from fact depositions, such as requests for specific unproduced documents; and may follow up on outstanding discovery requests, such as Via's first and second sets of requests for production. No discovery dispute related to fact discovery may be filed more than seven days after the new fact-discovery cutoff. *See* Civ. L.R. 37-3. No discovery

dispute related to expert discovery may be filed more than seven days after the new expert-discovery cutoff. *See id.*

IT IS SO ORDERED.
